## **REPORT ON REVIEW OF THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE BOARD OF DIRECTORS OF INOVEST B.S.C.**

### *Introduction*

We have reviewed the accompanying interim consolidated statement of financial position as at 30 June 2024 of Inovert B.S.C. (the "Company") and its subsidiaries (together the "Group"), the related interim consolidated statements of income and other comprehensive income for the three and six month periods then ended and the interim consolidated statements of changes in owners' equity and cash flows for the six month period then ended and explanatory notes. The Board of Directors are responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with Financial Accounting Standard 41 Interim Financial Reporting (FAS 41). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

### *Scope of review*

We conducted our review in accordance with International Standard on Review Engagements 2410, Review of Interim Financial Information performed by the Independent Auditor of the Entity. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### *Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with FAS 41.

**2 ACCOUNTING POLICIES (continued)****2.4 New standards, interpretations and amendments**

These interim condensed consolidated financial statements have been prepared using accounting policies, which are consistent with those used in the preparation of the annual consolidated financial statements for the year ended 31 December 2023, except for the adoption of following FASs as explained below.

**FAS 1 "General Presentation and Disclosures in the Financial Statements" (revised) (effective 1 January 2024)**

This standard describes and improves the overall presentation and disclosure requirements prescribed in line with the global best practices and supersedes the earlier FAS 1. It is applicable to all the Islamic Financial Institutions and other institutions following AAOIFI FAS's.

The revision of FAS 1 is in line with the modifications made to the AAOIFI conceptual framework for financial reporting, and has resulted in enhancements to the overall presentation and disclosures in the financial statements. The Group has adopted FAS 1 from the effective date of 1 January 2024 and has presented single combined interim consolidated statement of income and other comprehensive and the disclosure of interim consolidated statement of sources and use of charity fund has been relocated to the notes, further the Group has included the related applicable disclosures in these interim condensed consolidated financial statements.

Some of the significant revisions to the standard are as follows:

- a) Revised conceptual framework is now integral part of the FAS issued by AAOIFI;
- b) Definition of Quasi-equity is introduced;
- c) Definitions have been modified and improved;
- d) Concept of comprehensive income has been introduced;
- e) Institutions other than banking institutions are allowed to classify assets and liabilities as current and non-current;
- f) Disclosure of Zakah and charity have been relocated to the notes;
- g) True and fair override has been introduced;
- h) Treatment for change in accounting policies, change in estimates and correction of errors has been introduced;
- i) Disclosures of related parties, subsequent events and going concern have been improved;
- j) Improvement in reporting for foreign currency, segment reporting; and
- k) Presentation and disclosure requirements have been divided into three parts. First part is applicable to all institutions, second part is applicable only to banks and similar Islamic Financial Institutions "IFI's" and third part prescribes the authoritative status, effective date and amendments to other FAS issued by AAOIFI.

Adoption of the above standard has mainly changed the presentation of the interim condensed consolidated financial statements of the Group and the same has been prepared keeping in view such revised requirements so far as they are applicable to interim condensed consolidated financial statements under FAS 41.

**FAS 40 "Financial Reporting for Islamic Finance Windows" (effective 1 January 2024)**

The standard improves upon and supersedes FAS 18 "Islamic Financial Services offered by Conventional Financial Institutions" and defines the financial reporting requirements applicable to conventional financial institutions offering financial services.

The above standard is not applicable to the Group and accordingly did not have any impact on the interim condensed consolidated financial statements of the Group for the period ended 30 June 2024.
